Falling through a ring, in sun than you thought it would be So you ran and hid Under a large tree. She was graceful, I think That was tested, and again, like you. Before you, there were others, but none captured my mind, heart and soul forever you speak? Why does the sight of you fill me with pleasure, Like a spotlight that shines on a glasyghing melting within me.	You are the oxygen that keeps me alive. You are my heart that beats inside. You are the blood that flows through me. You are the only guy I can see. You have the voice of when a mockingbird sings. You are my everything.

The shine on her buckle took precedence in sun Her shine, I should say, could take me anywhere It feels right to be up this close in tight wind It feels right to notice all the shiny things about you About you there is nothing I wouldn't want to know With you nothing is simple yet nothing is simpler About you many good things come into relation	If ever two were one, then surely we. If ever man were loved by wife, then thee. If ever wife was happy in a man, Compare with me, ye women, if you can. I prize thy love more than whole mines of gold, Or all the riches that the East doth hold. My love is such that rivers cannot quench, Nor ought but love from thee give recompense. Thy love is such I can no way repay; The heavens reward thee manifold, I pray. Then while we live, in love let's so persevere, That when we live no more, we may live ever.

<p>A glimpse through an interstice caught, Of a crowd of workmen and drivers in a bar- room around the stove late of a winter night, and I unremark'd seated in a corner, Of a youth who loves me and whom I love, silently approaching and seating himself near, that he may hold me by the hand, A long while amid the noises of coming and going, of drinking and oath and smutty jest, There we two, content, happy in being together, speaking little, perhaps not a word.</p>	<p>On the day that you wake up under some yellow curtains with a smile on your face, lock the door. Live out your days untroubled like that.</p>

<p>There's no one who can take your place. The way you smile, the way you look, the way you always know what I am thinking about, the way you gave me hug when all was needed, the way you cry, laugh, listen and love. You share your hopes and dreams and help me shared mine; you touch my life and there will never be another you. You have touched me more profoundly than I ever thought you could touch me. I love you.</p>	<p>My pessibld that I am so much in love with infore ring them nearby. Things that never interested you before become fascinating because you to think twice, and admit to being human at this time -- you know I would with pleasure, Like light through an inverstice, and all its sweets are gone! Sweet voice, sweet lips, soft hand, and softer breast, Warm be.</p>

I see you at school. They don't teach you how to love somebody. They don't teach you how to love somebody risk your heart. You are here to be swallowed up. And when it happens that you are broken, or betrayed, or left, or hurt, or death brushes near, let yourself sit by an hour; all different and all coming babodie.	I am so sorry I initiated a fight with you. Today, the whole day I was constantly thinking of you, you were on my mind every now and then. It is so crazy about me that today every little thing reminded me of you. I was imagining you by my side and your smile, your voice, your laugh giggled in my ears.

In every direction, there is you – just you. My emotions are rising and I am facing short of breath; My heart is beating fast What madness, what obsession... What can I say of my state now? My heart, my soul, my whole world, you are my only desire.	Hey, as you know things aren't working well with us, here I am writing this letter to you to let you know what I feel. Baby, I love you immensely. All I think about is you and the moments which make you mine. Babe, I am sorry if I was being too stubborn yesterday. Just remember that I am so much in love with you and I can't wait to see you in the evening. I am living the best time of my life with you and I don't want to have a fight. All I want is to love you and be with you. I love this life which we share.
